### WINE

This Summer we had the chance to attend a tasting in Chicago that was a real eye opener. It was a tasting strictly for Washington state wines. We went intending to "high-spot" (only taste the best, reliable, and well known wines), because we had yet another tasting to go to that same day. Long story short, we skipped the second tasting and stayed at the Washington tasting because the wines were just too good to pass up, especially at the lower and mid price points. We had several great wines that day, but one winery in particular stood out:

**Distefano Columbia Valley Meritage-\$15.99**, 38% Merlot, 32% Cabernet Sauvignon, 30% Cabernet Franc. This wine has huge flavors of rich dark fruits, spicy cedar notes, and a solid chocolate streak. Very good!

**Distefano Columbia Valley Sauvignon Blanc-\$13.99**, 92% Sauvignon Blanc, 8% Semillon. This Sauvignon Blanc has good, bracing acidity that will make your mouth water. The semillon adds a touch of sweetness to the tart citrus flavors and balances the wine out beautifully.

### SPIRITS

Here's a vodka flavor that's suddenly very popular: bubble gum. **Three Olives Bubble** gum flavored vodka has inspired many hot, new, and tasty cocktails. **\$23.99**

Three-O™  
Bubble Martini  
2 oz. Three-O Bubble Vodka  
1 oz. ginger ale  
1 oz. cranberry juice  
Shake with ice and strain into a chilled martini glass.  
Garnish with a cherry.

### BEER

**Port Brewing Hop-15- \$7.29/Btl. Limited Release.**

This one's for the hop-heads. This is a huge, viscous beer made from 15 different varieties of hops. Citrus flavors with loads of pine resin, a sticky texture and an ABV of almost 10% make this one of the biggest, most hopped beers we sell. This is a limited release beer, as Port Brewing only makes it when they have equipment not currently in use. Get it while it's in!

**Dogfish Head Black & Blue-\$11.29/Btl**

The Dogfish Head Black & Blue is a beer made with a black raspberry and blueberry puree. Sweet, malty, and full of fresh fruit flavor, this beer might as well be a dessert course on it's own!

**Left Hand Brewing: Fade to Black Volume 1-\$8.99/6-Pack. Limited Release.**

This is another limited release beer we were fortunate to get. A new seasonal from Left Hand Brewing, this beer is full bodied and loaded with chocolate and espresso flavors. Very tasty. The beer is labeled as "Volume 1, and I can't wait to see what future iterations bring!
